

Benjamin Wax Jr., Ph.D.

Box 6186
Mississippi State, Ms. 39762

(662) 428-8793
bw244@msstate.edu

EDUCATION:

Doctor of Philosophy, (1999)

Major Emphasis: Exercise Physiology
Minor Emphasis: Statistics and Special Populations
University of Mississippi, Oxford, MS

Master of Science, (1993)

Major Emphasis: Exercise Physiology
Mississippi State University, Starkville, MS

Bachelor of Science, (1991)

Major Emphasis: Sport Pedagogy (Teaching & Coaching)
Mississippi State University, Starkville, MS

Associate Degree, (1988)

Itawamba Community College, Fulton, MS

EMPLOYMENT EXPERIENCE:

2014 (May) - Present

**Associate Professor and Division Coordinator of Exercise
Science in Department of Kinesiology
(Promoted & Tenured)**

Mississippi State University, Starkville, MS

University Committee:

2014 - 2017: Full Member of Institutional Review Board for
the Protection of Human Subjects (Reappointed)

Departmental Committees:

2014-Current: Exercise Physiology Laboratory
2014-Current: Graduate Committee

Professional Appointments:

2014-Current: National Strength and Conditioning Association
Advisory Board for Mississippi (Reappointed)

Editorial & Reviewer Service (2008-2014 May):

- Journal of Dietary Supplements
- Journal of the International Society of Sports

Nutrition

- Journal of Sports Medicine & Doping Studies
- Nutrients
- Journal of Preventive Medicine

2008 (August) - 2014 (April)

Assistant Professor in Department of Kinesiology

Mississippi State University, Starkville, MS

Graduate Level 1 Faculty (7/1/2013)

Graduate Level 2 Faculty (2008-2013 (6/30))

Classes Taught:

Division of Applied Physiology

Doping and Supplementation (EP 8253 Graduate Level)

Training Tech and Exercise (EP 6153 Graduate Level)

Fitness Programs & Testing (EP 4113 UG)

Training Tech and Exercise (EP 4153 UG)

Personal Fitness Training & Lab (EP 3663 UG)

Exercise and Weight Control (EP 4183 UG)

Division of Sport Studies

Sport Physiology (PE 3313 UG)

Sport Physiology Lab (PE 3313 UG)

Motor Development & Lab (PE 3223 UG)

Elementary Physical Education (PE 3153 UG)

Course Development:

Doctoral (SS) Seminar II (KI 8943)

Sport Physiology (PE 3313)

Training Tech and Exercise (EP 4153/6153)

Personal Fitness Training & Lab (EP 3663)

Strength and Conditioning (KI 4990)

Field Experience Supervision:

Teaching Internship (PE 4886)

Teaching Internship (PE 4896)

University Committee:

2013 - 2014: Full Member of Institutional Review Board
for the Protection of Human Subjects

2011 - 2013: Alternate Member of Institutional Review
Board for the Protection of Human Subjects

2013: Institutional Review Board Compliance
Subcommittee

2012: Institutional Review Board Compliance
Subcommittee

College of Education Committees:

2013- Search Committee for Department of

Recreational Sports
2012- Search Committee for Department of Music
2008-2010: Faculty Council

Departmental Committees:

2013-2014 Current: Exercise Physiology Laboratory
2011-2014 Current: Public Relations
2008-2010: NCATE Committee
2008-2010: Library Committee

Professional Appointments:

2011-2014: National Strength and Conditioning
Association Advisory Board for Mississippi

Grants and Gifts:

Gifts:

2014

Iovate Health Sciences International

Wax, B. & Smith, J.W. "Impact of Glycine arginine alpha
ketoisocaproic acid calcium on resistance performance.

(Awarded as Gift 9,899.15)

Internal Grants:

2012-2013

Office of Research and Economic Development. Research
Initiation Program. "Examining STEM and non-STEM Differences
in Communication Apprehension and Cortisol Levels" (Joint
submission with Dr. Nicholson from the College of Arts)

Awarded 2000.00 (Seed money for pilot testing for NSF Grant
Submission)

Office of Research and Economic Development. Faculty
Research Support Program. **(Awarded 1644.00)** Split between
ORED, Dean's Office, and Kinesiology Department

2010

Office of Research and Economic Development. Research
Initiation Program. **(Awarded 1428.00)** Split between ORED,
Dean's Office, and Kinesiology Department

2009

Office of Research and Economic Development. Faculty Travel
Program for a Presentation at ACSM in Baltimore, Maryland
(Awarded 750.00)

Office of Research and Economic Development. Research
Initiation Program. **(Awarded 1651.00)**

External Grants:

2014

Smith, J.W. & **Wax, B.** "Impact of Carbohydrate-Protein Ingestion During Strength and Conditioning Training Sessions on Exercise Performance". (51,180.98 Submitted to Herbal Life)

2013

Smith, J.W. & **Wax, B.** "Impact of Carbohydrate Ingestion During Strength and Conditioning Training Sessions on Exercise Performance. (51,685.50 Submitted to Gatorade Sport Science Institute) Not Funded

2010-2011

Wax, B. & Webb, H.E. "Mississippi State University Partnership Unity Program (MSU-PUP). NCMHD Health Disparities Research on Minority and Underserved Populations (RO1). 1,000,000 (not selected)

Wax, B. & Webb, H.E. "Mississippi State University Partnership Unity Program (MSU-PUP)." National Institutes of Health (Academic-Community Partnership Conference Series - U13) (30,000 year for up to 3 years) (not funded)

Professional Service

- 2012 Reviewer for Jones & Bartlett Learning "Introduction to Exercise Physiology"
- 2012 Reviewer for Lippincott Williams & Wilkins "ACSM's Behavioral Aspects of Exercise"
- 2011 Reviewer for Lippincott Williams & Wilkins "Exercise Physiology for Health, Fitness, and Performance"
- 2010 Reviewer for Lippincott Williams & Wilkins "Resistance Training Interactive Study Guide"
- 2010 Reviewer for Lippincott Williams & Wilkins "Exercise Physiology"
- 2010 Reviewer for Lippincott Williams & Wilkins "ACSM's Business for the Health & Fitness Professional"

Editorial & Reviewer Service (2008-2014 May):

- Journal of Dietary Supplements
- Journal of the International Society of Sports Nutrition
- Journal of Sports Medicine & Doping Studies
- Nutrients

- Journal of Diabetes & Metabolism
- The Journal of Sports Medicine and Physical Fitness
- Research Quarterly for Exercise and Sport
- Journal of Novel Physiotherapies
- Journal of Teacher Education

Student Theses Completed

2014 "Effects of Selected Amino Acids on Resistance Training Protocol During a Selected Hypertrophy Protocol" by Elizabeth Hall (Committee Chair)

2013 "Effects of Citrulline Malate on Lower Body Bouts of Resistance Exercise" by Kevin Weldon (Committee Chair)

2012 "Effects on Supplemental Citrulline Malate During A Resistance Training Protocol" by Kinnard Luckett (Committee Chair)

2012 "Effects of Glycine-Arginine-Alpha-Ketosiocaproic Acid Calcium on Maximal Strength and Multiple bouts of Resistance Exercise" by Laura Hilton (Committee Chair)

2011 "The Effects of Glycine-Arginine-Alpha-Ketoisocaproic Acid Calcium on Maximum Strength and Muscular Endurance" by Mareio C. Harris (Committee Chair)

Student Theses in Progress

2014 "Effects of Various Types of Stretching on Running Performance" by Roger Keesling (Chair: In Progress)

2014 "Impact of the Digital Data on the Online Fitness Industry" by Sivas Vivekanandan (Committee Member)

2005 - 2008

Director of Fitness Center / Associate Professor (Tenured),
Mississippi Valley State University, Itta Bena, MS.

Classes Taught:

Exercise Physiology

Kinesiology

Comprehensive Health

Consumer Health

Foundations of Physical Education

Motor Development

Organization and Administration of Physical Education

Psychology of Exercise (Online Web-CT Course)
Consumer Health (Online Web-CT Course)

Fitness Center Duties:

Physiological Testing of Athletes, Athletic Seminars (Nutrition, Psychological & Training), Staff scheduling and training, facility scheduling for athletic and non-athletic facility use, Center's day-to-day operations, and serving as a liaison between the HPER Department and the Athletic Department.

Grants Submitted:

Health and Fitness for Underserved Populations/Areas
US Department of Education
(Submitted 2007 - **Funded \$157,479.00**)

Grant Projects Served:

July 2005 - 2007 Physical Education Coordinator
The Science and Technology Annual Summer Program,
Mississippi Valley State University, Itta Bena, MS

Duties Include:

Coordination of staff, staff training, and devising and implementation of programs.

University, College & Departmental Committees Served:

- University Institutional Review Board 2006-2008
- Wellness Committee (Chair) 2006-2008
- Athletic Compliance Committee 2006-2008
- University's Steering Committee for SACS
- NASPE (As Departmental Chair Assigns)
- NCATE Conceptual Framework Committee
- HPER Departmental Curriculum Committee
- Grantmanship Committee
- Research and Data Collection Committee
- Graduate Faculty Committee
- Web-CT Committee
- Committee of University's Technology Committee
- Health Coordinator for the College of Education
- Guest Lecture (Campus and Community forums)

1999 - 2004

Director of Fitness Center / Assistant Professor,
Mississippi Valley State University, Itta Bena, MS.

Classes Taught:

Exercise Physiology
Anatomical Kinesiology
Comprehensive Health

Consumer Health
Foundations of Physical Education
Motor Development
Organization and Administration of Physical Education

Fitness Center Duties:

Physiological Testing of Athletes, Athletic Seminars (Nutrition, Psychological & Training), Staff scheduling and training, facility scheduling for athletic and non-athletic facility use, Center's day-to-day operations, and serving as a liaison between the HPER Department and the Athletic Department.

Grants Submitted:

Health and Fitness for Underserved Populations/Areas
US Department of Education
(Submitted 2004 - **Funded \$25,000.00**)

Health and Fitness for Underserved Populations/Areas
US Department of Education
(Submitted 2003 - **Funded \$15,000.00**)

Hazardous Love Testing Integrated Early Sexuality Interventions Among Three Adolescent Age Groups in the Mississippi Delta, which was submitted to Centers for Disease Control and Preventions.
(Submitted 2002 not funded).

Grant Projects Served:

July 2001 - 2004 Physical Education Coordinator
The Science and Technology Annual Summer Program,
Mississippi Valley State University, Itta Bena, MS

Duties Include:

Coordination of staff, staff training, and devising and implementation of programs.

University, College & Departmental Committees Served:

- University's Steering Committee for SACS
- NASPE (As Departmental Chair Assigns)
- NCATE Conceptual Framework Committee
- HPER Departmental Curriculum Committee
- Research and Data Collection Committee
- Graduate Faculty Committee
- Web-CT Committee
- Co-chair of MVSU Wellness Center Project
- Chair of MVSU Technology Committee for the Department of HPER
- Committee of University's Technology Committee
- Health Coordinator for the Education Department
- Chairing HPER Department preparation for NCATE

- Building and Grounds Committee
- Guest Lecture (Campus and Community forums)

1993 - 1998

**The University of Mississippi
Graduate Instructor/Researcher for the Department of
Exercise Science and Leisure Management.**

Class Duties:

Exercise Physiology laboratory
Personal and Community Health
Resistance Training (Beginning & Advanced)
Beginning Racquetball
Assisted with Lab Research

University Activities:

Special Olympics Track and Field (Yearly Event)
Special Olympics Basketball (Yearly Event)
Special Olympics Bowling (Yearly Event)
Special Olympics for Seniors (Yearly Event)
Hosting Nutritional and Fitness Programs for the Learn,
Earn, and Prosper Educational Television Program

1993 - 1994

**The University of Mississippi, Ms.
Graduate Assistant for the Bessie Speed Wellness Center.**

Duties Included:

Organizing Athletic Awareness Programs, Athletic
Counselor, and Community Seminars.

1992 - 1993

Lafayette County School, Ms.

Teacher and Strength Coach:

Duties Included:

Teaching Health Classes, Designing Resistance Programs for
Various Sports (football, boys track, girls track, and the
boys basketball team)

1991 - 1992

Mississippi State University, Ms.

Graduate Instructor for the Department of Kinesiology:

Duties Included:

Laboratory Assistant, Teaching Basic Fitness Concepts and
Strength Training Classes.

PROFESSIONAL AFFILIATIONS:

National Strength and Conditioning Association

International Society of Sports Nutrition
American College of Sports Medicine
